

## Evergreen Audubon

Dear Evergreen Audubon and National Audubon members:

Please read this carefully if you want to continue to receive the Dipper Newsletter!

The Evergreen Audubon Board of Directors is trying to reduce both its expenses and impact on the environment by encouraging the Evergreen Audubon and National Audubon members to receive the Dipper Newsletter electronically rather than continuing to print and mail a hard copy to 500+ families.

Until the end of 2010 we will continue to mail a free hard copy of the Dipper Newsletter to those who request it. At your **membership renewal date in 2011** you will have to pay an **extra fee of \$10** to continue receiving a hard copy of the Dipper.

You can subscribe to the electronic Dipper Newsletters or download them from the Evergreen Audubon website at <http://evergreenaudubon.org>. We will not share your email address with any other organization.

Thank you for being a “green” Audubon member and for thinking of our environment!

**Please choose the electronic or hard copy option.**

**You will NOT receive any more newsletters if you do not make a choice.** (If you have previously indicated you want to receive the electronic version, you do not need to respond.)

**Let us know your choice via one of the following three methods:**

- 1) Send an email with your name and email address to [communications@evergreenaudubon.org](mailto:communications@evergreenaudubon.org)
- 2) Call David or Lisa Wald at 303-674-0417
- 3) Cut off the portion below and mail it to:

-----

Evergreen Audubon  
Dipper Newsletter  
PO Box 523  
Evergreen, CO 80437

Name: \_\_\_\_\_

Choose one of the two options below:

- 1) Please continue to send me a **hard copy** of the Dipper Newsletter.

My address is: \_\_\_\_\_

- 2) Please send me an **electronic copy** of the Dipper Newsletter from now on.

My **email** address is: \_\_\_\_\_

- Check here if you DO NOT want to receive email reminders about upcoming events.
